## 1 Introduction

This is an introduction to this document

### 1.1 this is a subsection

best of all

#### 1.1.1 this is a subsection of a subsection

the maximum subsections inside subsections are 4

## 2 conclusion

to write latex like this L<sup>A</sup>T<sub>E</sub>X

## 3 lecture 2

**hello this is supposed to be bold!**

*hello this is supposed to be in italics!*

this is supposed to be underlined!

### 3.1 oddities

#### 3.1.1 misquoting

use that *other*

this is the way to fix it ‘see’ “this is suppose to fix the double quotes”

End this lecture with new tools to know like the *emph*, *quote* problems and such
